Arizona: Long-Term Visitor Area Program for 1995-1996 and Subsequent Use Seasons; Revision to Existing Supplementary Rules, Yuma District, Arizona, and California Desert District, California, and Revision of Long-Term Visitor Area Boundaries Within the California Desert District, El Centro Resource Area

AGENCY: Bureau of Land Management, Interior.

ACTION: Publication of supplementary rules and revision of Long-Term Visitor Area boundaries within the California Desert District, El Centro Resource Area.

SUMMARY: The Bureau of Land Management (BLM) Yuma District and California Desert District announce revisions to the Long-Term Visitor Area (LTVA) Program. The program, which was instituted in 1983, established designated Long-Term Visitor Areas and identified an annual long-term use season from September 15 to April 15. During the long-term use season, visitors who wish to camp on public lands in one location for extended periods must stay in the designated LTVA's and purchase an LTVA permit.

EFFECTIVE DATE: September 15, 1995.

FOR FURTHER INFORMATION CONTACT:

Mark Lowans, Outdoor Recreation Planner, Yuma Resource Area, 3150 Winsor Avenue, Yuma, Arizona 85365, telephone (520) 726-6300; or John Butz, Outdoor Recreation Planner, California Desert District, 6221 Box Springs Boulevard, Riverside, California 92507-0714, telephone (909) 697-5394.

SUPPLEMENTARY INFORMATION: The purpose of the Long-Term Visitor Area program is to provide areas for long-term winter camping use. The sites designated as Long-Term Visitor Areas are, in most cases, the traditional use areas of long-term visitors. Designated sites were selected using criteria developed during the land management planning process, and environmental assessments were completed for each site location.

The program was established to safely and properly accommodate the increasing demand for long-term winter visitation and to provide natural resource protection through improved management of this use. The designation of long-term visitor areas assures that specific locations are available for long-term use year after year, and that inappropriate areas are not used for extended periods.

Visitors may camp without an LTVA permit outside of LTVA's, on public lands not otherwise posted or closed to camping, for up to 14 days in any 28-day period.

Authority for the designation of LTVA's is contained in Title 43, Code of Federal Regulations, Subpart 8372, Sections 0-3 and 0-5(g). Authority for the establishment of a Long-Term Visitor Area program is contained in Title 43, Code of Federal Regulations, Subpart 8372, Section 1, and for the payment of fees in Title 36, Code of Federal Regulations, Subpart 71.

The Authority for establishing supplementary rules is contained in Title 43, Subpart 8365, Section 1-6. The LTVA supplementary rules have been developed to meet the goals of individual resource management plans.

These rules will be available in each local office having jurisdiction over the lands, sites, or facilities affected, and will be posted near and/or within the lands, sites, or facilities affected. Violations of supplementary rules are punishable by a fine not to exceed \$100,000 and/or imprisonment not to exceed 12 months.

The following are the supplemental rules for the designated LTVA's and are in addition to rules of conduct set forth in Title 43, Code of Federal Regulations, Subpart 8365, Section 1-6.

The following supplemental rules apply year-long to all public land users who enter the LTVA's.

1. The Permit. A permit is required to camp in a designated LTVA between September 15 and April 15. The permit authorizes the permittee to camp within any designated LTVA using those camping or dwelling unit(s) indicated on the permit between the period from September 15 to April 15. There are two types of permits: Long-term and short-visit. The long-term permit fee is \$50.00, U.S. funds only, for the entire season and any part of the season. The short-visit permit is \$10.00 for seven (7) consecutive days. The short-visit permit may be renewed an unlimited number of times for the cost of \$10.00 for seven consecutive days. *No refunds are made on permit fees.*

2. The Permit. To be valid, the short-visit permit or long-term permit decal must be affixed at the time of purchase, with the adhesive backing, to the bottom right hand corner of the windshield of all transportation vehicles and in a clearly visible location on all camping units. A maximum of two (2) secondary vehicles are permitted.

3. Permit Transfers. If you sell, trade, or exchange camping vehicles during the use season, remove the permit from your old vehicle before turning it over to the new owner. Present your permit to a BLM officer authorized to sell permits, or a BLM office which administers an LTVA. The permit will be revised to cover the new camping unit or you will receive a replacement permit for your new vehicle at no cost. The permit may not be reassigned or transferred by the permittee.

4. Permit Revocation. An authorized BLM officer may revoke, without reimbursement, any LTVA permit issued to any person when the permittee violates any BLM rule or regulation, or when the permittee, permittee's family, or guests conduct is inconsistent with the goals of BLM's LTVA Program. Failure to return any LTVA permit to any authorized BLM officer upon demand is a violation of this supplemental rule. Any permittee
